A man and a woman are lying in bed, covered by a purple blanket. The man, wearing a blue and white checkered shirt, is leaning over the woman and looking at a spiral-bound notebook she is holding. The woman has long blonde hair and a tattoo on her left shoulder. She is looking down at the notebook. The background is slightly out of focus, showing a red storage bin on a shelf.

Bailey was looking over her notes for her test in the morning.. Her friend Alex was trying to help her go through them. Unfortunately, her ass was getting his attention and not her notes. Soon, it wouldn't be long before the notebook ended up on the floor, as did their clothes and her focus was now on his cock, and his on licking her pussy. Minutes later they were in a full blown heat exchange that lasted for hours, ending in a foaming mouthful of hot jizz for sweet-ass Bailey.

B04-BLAIR

The adventures of two rock groupies on a highway to heaven

Rockin' & Rollin'

As a rock 'n roll musician, I lead a fast life, but there is one encounter that stands out in my memory. The band—Chuck the drummer, Bill the lead guitar, Johnno the bass player, and me, the keyboard player—had finished up one gig and we had to drive 500 miles to Miami to do a concert.

It was about two o'clock one Friday afternoon when we all piled into our van, a converted Dodge van with the back seats removed. We had a carpet on the floor with a thick brown rug, where we slept and fucked around. Bill was driving and we hit the highway for a couple of hours before we stopped in this hick town to chill out.

After a quick meal, I got back to the van to find Johnno already inside with two hitchhikers. I got one look at them and didn't mind the crowd. They had the biggest tits I'd seen in quite a while and they were barely held in by tight t-shirts. Short cut-off jeans topped their mile-long tan legs.

"Meet Denise and Debbie," Johnno said. The girls giggled and smiled, and I guessed they were either 18 or 19 years old. Their long blonde hair was constantly being thrown about as they tossed their heads. "They're sisters," Johnno said, laughing. "Can't you tell?"

Indeed I could. With a matching pair of big tits and pretty faces and that silky hair, it was pretty obvious. I saw a couple of bags in the corner, which had to belong to the

girls.

"We're going to give them a ride," said Johnno. When the other two guys came back to the van, we were on the move. "Do you know you've got a great pair of tits," Johnno asked one of the chicks, his hand already well inside her top. She giggled. That seemed to be all they did. All they ever seemed to say was "Wow!" as we told them about what it was like being musicians.

We were already kissing and fondling the girls when Johnno got this idea that we should have a competition to see which of them had the biggest nipples. Johnno's girl lay on her back, with her shirt totally pulled up. His hands were

massaging her tits and rubbing her body all over. She sat up, looked at her sister, giggled, and stripped, revealing a ripe young body with big, firm boobs. My chick then took off her shirt and showed off her great set: large, firm, and juicy—just like her sister's—and brown nipples that stood out like bullets.

I buried my head between them and then began licking my way to the summit, moving my tongue around the channel between those two gorgeous globes. I flicked my tongue over her nipples until they trembled.

She grabbed my hair and was pulling my face into her chest with both hands, moving my tongue to when I took my hand away from her tits and tried to unbutton her cut-

offs, she pushed my hand away, whispering, “No!” This was crazy; I had the biggest hard-on ever. I sat up, a bit pissed off, and saw Johnno and Debbie groaning away, his pumping up and down, as she tried to rub her tits against his body at the same time.

I took I the other one’s hand and put it firmly inside my pants. “That’s all yours, baby,” I murmured. I felt her run the palm of one hand over my dick. The vibrations of the van together with the thick carpet were definitely turning up the heat. I tried again to undo Denise’s pants. Her sister’s grunts got louder, as Johnno’s ass dimpled each time he drove his meat stick into her grasping pussy.

“Wait! I’ll give you some head if you want,” Denise whispered in my ear. I nodded, game for anything now. I thought I was going to jizz my pants.

“Take my clothes off,” I told her. I massaged her tits, rolling her nipples between my thumb and forefinger, as she undid my jeans and her knuckles brushing against my

throbbing bulge. I was using the palms of my hands to rub her nipples and cup her tits. As she helped me ease off my underwear, I leaned forward and kissed her, my prick cradling itself naturally between her tits.

My cock was standing up like a water tower, a little drop of wetness already forming on its circumcised tip. I shifted myself up against the side of the van and brought my knees close to my chest. Denise’s long blonde hair was hiding her face and my hands were still on her tits, squeezing them hard, as she leaned forward and her tongue flicked across the tip of my cock, making me shiver. Her tongue began to lick the head, then the stem, running slowly up and down from my balls to the top, as one hand massaged the shaft the other hand fondled my balls. “Suck it,” I begged.

I watched as Denise began to suck my engorged cock. I was fascinated as her warm, wet saliva dribbled out of her mouth and began to trickle down my prick. Not only was she licking at it, but suddenly she was sucking and slurping. I could feel the pressure around my cock, as it throbbed. Denise’s bobbing head and slurping picked up speed.

By this time Johnno and Debbie were done fucking. They were sitting up, a tangle of arms and legs, and watching us with sated amusement “She gives great head,” Debbie said. “Tell me!”

I managed to gasp, while feeling the urge to come grow stronger, subside, and then grow again. Denise licked and

slurped and sucked, her hands all over my balls and her fingers and thumb rubbing up and down the exposed part of my shaft, as my ass began to jerk up and down.

“She’s saving herself,” Debbie explained.

“What?!” Johnno exclaimed, laughing.

“She doesn’t mind giving head. In fact, it turns her on. But she’s determined to save herself for marriage.”

“She’s crazy,” Johnno said, still laughing and shaking his head. I began to moan, as Denise’s warm saliva ran down along my balls and dripped onto the carpet: I’d never

‘known anyone to produce so much spit when sucking.

Denise’s sister and Johnno were sipping on beer, still stark naked, and she was rolling a joint. Chuck, who was driving, had turned the music up loud as I felt myself on the verge of coming. I gripped Denise’s head with my hands and began to help her move it up and down, up and down. Her tongue kept flicking, her mouth making that sucking sound, the pressure really getting to me. Debbie saw the expression on my face and got up on her hands and knees. She crawled across the floor and began French-kissing me, her titties sticking into my chest, her tongue flicking against the tip of mine.

Denise had her hands on my knees for balance, as her mouth and tongue worked up and down on my cock, sucking and slurping. I put the fingers of my left hand into Debbie's wet cunt as she continued kissing me, and she moaned into my mouth. I could feel her juices begin to collect as my fingers dipped into her cunt and her hips began to pump. Then I couldn't hold back any longer. Deep in a tongue-darting kiss into Debbie's mouth, my cock exploded, my

load shooting into Denise's mouth as she continued to suck and swallow every drop.

Her sister moaned and moved up and down on my fingers, which were buried inside her, her love juices running down my hand and onto my wrist. I was panting while Debbie sat back on her haunches and fingered herself to orgasm. Denise sat up, and on both girls I could see the sweat of passion, as the AC began to cool us off. Their nipples remained erect, as my cock began to go soft.

Denise crawled up my body to kiss me and deposit my spunk in my mouth. She then fingered herself off, looking me fully in the face. Her hand worked in and out of her cunt faster and faster as she spread her knees farther apart for me to see her swollen cunt and its pink lips. She convulsed and then finished by raising her hand to her mouth.

With a sly smile, she sensually licked and sucked the juices from each finger.

"My turn again," said Johnno, his hard-on standing up proudly. Denise had turned me on, and my dick was growing again too. Johnno then said, "Tell Denise to take her pants off. We won't fuck her if she doesn't want it, but there are a lot of other things we can do."

So she slid her hot pants off and exposed the cutest little ass you'd ever seen. Her pussy was covered with short, wispy hairs. Johnno then got on his hands and knees and spread her legs apart with his head. He began to lick Denise out right next to me. Then Debbie moved close to my face and said, "I want to fuck you. I wanted to when I first

saw you, but you wanted my sister instead."

We were inches from each other, her face above mine. "I thought you wanted to be with 'Johnno'" I whispered back. "Not as much as I want you now." She placed her hand on my cock as we spoke, massaging it to a full stiffness. Then she perched herself astride me, as if she were about to take a piss, and then turned the top around her cunt lips until I felt them get wet. She impaled herself slowly on my cock. She gradually sank lower and lower, as she became wetter and wetter until our hairs touched.

She sat on my legs, rotating her hips to keep me hard and grinding my pelvis against her clit. Denise placed her legs around Johnno's neck and she was crying quietly.

"How much farther are you two going?" Chuck's voice innocently called out from the front seat, over the music.

"Much farther!" Debbie shouted, rubbing her tits with her own palms, and then cupping them for me to see. She licked her nipples as I began to jerk my hips into her with strong thrusts. I lifted my ass to meet her cunt with my cock and keep the contact warm and strong. The higher I lifted my pelvis, the more weight she allowed me to take her rolling body. She was literally riding me. I lowered my body again and she began to do squats on my cock, her body gyrating wildly. Her hips were moving faster and faster.

Then she got on her knees. Her hips were pumping her cunt up and down, her juices running down the insides of her legs and into my pubic hairs. It was amazing. Pump, pump, pump! The vibration of the van's floor sent tingles through my body, as this big pair of firm tits bounced be-

fore me. Her warm snatch just seemed to swallow me up as she pumped faster and faster, without letting me do anything except lie on my back and enjoy raw sex. This is the life, I thought, watching her concentrate on the huge dick inside her without missing a stroke.

I could see she was on the verge of coming, as her breathing got heavier. I'd had enough of this chick control-

ling our fucking, so I pushed my pelvis as high as it could go, taking her with me. I then pulled out of her, my prick still shiny and hard. "Turn over," I said.

She then spread her legs wide from behind, slipping my fingers into her dripping cunt. Johnno was lying on his back and Denise was giving him head.

"Quick, quick, please!" Debbie begged me, urgently pressing her pussy onto my hand to keep the feeling in her clit strong. I knelt down between her legs and took my hand away. She reached down and found my cock, which she grasped with a fist. She squirmed and moved her ass back toward me, until she had the tip of my dick in her cunt.

She pushed back on it until it was all the way home.

Then she began moving, but too quickly, so I grabbed her ass and rammed myself into her as far as I could go. She groaned with pleasure and fell forward, keeping her ass in the air. I slowly pulled myself out, until I was on the verge of popping out of her, but I held firm and slowly moved back into her again.

As heavy metal played for the third or fourth time on the radio, I began to fuck Debbie to the rhythm of the song, gradually picking up speed.

Chuck had seen and heard enough. Ready for action, he climbed into the back of the van and dropped his pants, waving his cock in Debbie's face. She tried to avoid him, but I held her firmly. "Suck it! He's a friend," I told her.

Worked up to a frenzy, Debbie agreed to do anything, just to get some more of my meat. She grasped Chuck's dick in her hand and guided it to her mouth, sucking hungrily. I started to jerk the tip of my numb prick rapidly back and forth, my finger circling Debbie's clit. I rubbed her

cunt in conjunction with the movement of my penis. I was slowly losing control, and all I wanted to do was to fuck Debbie silly, as she slurped on her new lollipop.

Chuck began shouting "Oh, man!" as Debbie sucked his dick and I rammed my dick into her from behind. None of us realized that the van had stopped moving, until I saw Bill, the driver, climbing over the seat to join in the orgy.

So there we were, in the middle of nowhere, the traffic passing us by. I was on my side, with Debbie pulled tightly to me, my cock snug up her ass. Bill entered her cunt, while she kept sucking Chuck's big dick. "We're going to have to get the timing right on this one," I said, but Debbie was too far gone to hear me. She was really digging the wild scene, with three cocks stuffed into her hot holes!

Meanwhile, Denise had finally surrendered her virginity to Johnno's lust, and we were all fucking so madly that we damned near tore the van apart. It was the best trip to a gig that we ever had!

When we arrived at our destination in Miami, we were stiff and sore, but we swaggered into that packed music hall and gave the best concert of our lives.

Chuck, Bill, Johnno and I had found ourselves a new pair of groupies, and we all had everything in the world anyone could ever want.

IT'S GOOD
TO BE YOUNG.
ESPECIALLY WITH A BUTT LIKE THIS!

**SATISFACTION IS A BIG HARD
COCK IN MY WET PUSSY**

MOUTHS AND PUSSIES AND COCKS, OH MY!

FUCKING 101

A virgin signs up for swimming lessons and learns a "hole" lot more!

I liked the taste. But I don't get it I knew I was going to lose my virginity the summer I turned 18. I didn't know exactly how it would happen, seeing as how I didn't have a boyfriend, but I knew I'd figure something out. I decided the first step was to take private swimming lessons, so I could go to the pool a lot and look sexy and fuckable in a tiny bikini.

As soon as I met my instructor, all bleached-blond hair and bulging muscles, I realized I had a chance to take care of my little "problem" right then! Johnny spent the first 10 minutes staring at my barely covered titties and the second 10 minutes feeling me up while he pretended to teach me how to float. By the time we were almost done with the lesson, I was backed up against the side of the pool, and he had his fingers on my bikini-covered crotch, stroking

my little nub through the fabric.

What with Johnny's probing fingers plus the fact that I was soon going to have a cock in my virgin pussy, I was already gushing. I was glad we were in the pool, so he couldn't feel how wet I was! But of course, as soon as he slipped his finger under my bikini, he could feel the slickness of my hole.

He didn't seem to mind. As a matter of fact, he seemed to like it. He pulled my bikini to the side and diddled me a little; I felt the cold water hit my clit. He started kissing me then, and I reached for his cock under the water. I was a little scared when I felt how big and swollen he was, but it made me excited, too. Pretty soon I was stroking on him through his trunks and wondering how I was going to get his cock out.

Johnny solved that problem by raising himself onto the ladder and peeling off his bathing suit before sitting on the step. He kind of grinned at me when I got between his legs and stood on a lower rung. I'd never sucked a guy's cock before, but I'd read about it, and I was ready to see if cock tasted as good as I'd heard!

Johnny groaned a little as I took him in my mouth. His skin was soft and

still chilled from the water. I opened my mouth wider and let his shaft slip as far into my mouth as I could. I'd read that guys really liked to be deep-throated, and it sure seemed like Johnny did. He pushed himself into my mouth, and even though it was hard to get him all in, I sure liked what it was doing for Johnny.

Pretty soon he was pushing himself in and out of my mouth really fast. I was a little worried that he'd want to come in my mouth. Not that I minded—I was dying to taste him—but first I wanted him to pop my cherry!

I didn't have to worry, though. In the next minute he was back in the water, pushing me up against the wall again. Omigod, it felt soooo good when he was kissing me and pressing his hard cock against my thigh. And then his fingers pulled my bikini all the way off and it was my bare pussy he was pushing on. It made me excited to feel his hard knob at my hole like that and pretty soon I was squirming, wanting him to push it in.

That's when he asked me if I was a virgin, and I didn't want to tell him because I was afraid he might stop. But I did, and he didn't seem to mind. He just started pushing real slow into my

tight little hole. At first, it kind of hurt a little, but after a while I started to feel really warm deep inside of me. It was kind of like when I'm touching myself, only a thousand times better.

By the time he'd stuck it all the way in, I was really liking it! Then he started pulling out and pushing back in again, and it felt even better, especially when he started doing it fast. I didn't want to seem too slutty, but I couldn't help moaning a little every time he pushed it in.

He pulled my legs up around his waist and started pumping even faster. Pretty soon I was feeling like I was going to come and I wasn't even touching myself! I felt all warm and tingly inside and then it spread, and all of a sudden, I couldn't stand it anymore. I was coming just like I did by myself, only it felt so much better to have Johnny's cock inside me while it happened.

My pussy was squeezing hard on his cock, and he started to push in and out of me really fast. I knew that pretty soon he was going to shoot his load up into me, so I squeezed harder. Soon he was pumping so hard I thought it would hurt but it didn't, and then he was grunting and I could feel his cock swelling inside of me.

I knew he was coming then, because he was groaning and shoving into me really deep. I kept my legs wrapped around him, liking the way he felt shooting inside me. Also I liked

the way my little clitty felt, still quivering and rubbing up against his belly each time he shoved his cock in. I swear I came again as he pumped me full! And then I was giggling because there we were in the pool and my time was up and I hadn't even learned how to swim! 'Course, I had learned how to have sex, which was even better. Now I go every day to have my "lesson" with Johnny. He says that soon he'll teach me different ways to have sex, like from behind and up the butt. Ooh, I can hardly wait!

WATCHING LISSA

The young girl next door regularly puts on quite a show

The first time I saw Lissa masturbating, I tried not to look, really I did. I mean, Jesus, she's this young girl—I mean, hell, she's only 19—and I know I shouldn't be watching, but she makes it so easy. Her parents' house is right next door to mine, and our bedroom windows face each other, and she never closes her blinds. So when I saw her that day, naked on her bed...well, what was I supposed to do?

She looked so young and vulnerable. Her tiny titties stuck straight up

as her hands trailed up and down her sweet body, and I swear I saw her nipples wink at me. Baby-buds, that's all they were, but they got harder as her fingers stroked their way over her flesh.

Her eyes were closed, and her straight brown hair framed her face as she touched herself. Of course, I felt my cock rise in appreciation of her fine, lithe body, but I held out. At least until I saw her fingers trail their way across her almost-hairless slit, her fat pussy-lips puffy and so inviting. I watched as she lightly caressed the smooth lips, delicately teasing the sensitive flesh with her fingers.

That's when I reached for my cock and found myself hard and hot. Without thinking I began to stroke myself, my fingers caressing the warm skin just as Lissa's were doing. I felt myself twitch as she reached down with one hand, spreading the lips of her succulent pussy to my gaze.

I could see her girl-juice dripping from her teenage pussy, and I licked my lips, aching to bury my face between those firm, young thighs and lap at that sweet cream. Instead I contented myself with long, steady strokes on my cock as Lissa began to toy with her little nub. I watched in amazement as she teased it from its confines with short, loving strokes, until her girl-nubbin stood straight up.

She spread her legs even wider, then, and licked her own lips as a light

sheen of sweat broke out on her upper lip. Letting loose her tiny clit, she brought her hand to her mouth and sucked one finger in deep. I groaned, imagining that it was my cock parting those full lips and dipping into the wet recesses of her mouth. Her finger wet with saliva, she trailed it round one perfectly formed nipple, and I watched as it sprang to immediate attention. Almost idly she toyed with the hard nubbin as her other hand kept her succulent pussy-lips spread.

Then her fingers were in her mouth again, and I couldn't help but think of her tongue on my cockhead, lapping the pre-cum from my oozing slit. This time, though, after she'd sucked her fingers in deep, she brought them lower. She circled her swollen clit with fingertips that dripped with wetness, and her hips pressed upward as she flicked at the tender nub. My own hips clenched, and I strained forward, wanting desperately to caress those gleaming pussy-folds with my cock, wishing I could spread them wide with my fat head and rub my shaft all along the glistening flesh. My fist began to pump as I watched Lissa trail her fingers lower now, groping toward her wet slit.

Arching suddenly, she speared her

pussy with three fingers, and I saw a grimace of pleasure cross her face at the sensation. The thought of her pussy clenching hard around those invading fingers made me dizzy with lust. She began to fuck herself with her fingers then, shoving them in deep before withdrawing those soaked fingers and plunging them back in. My cock swelled under my fingers as I began to pump harder, imagining that it was my cock buried deep in the recesses of her wet pussy, pounding in and out of her tight hole.

Lissa began to sweat more freely, as did I, as her fingers moved upward again, flicking at her engorged clit now with a frenzy. Her hips bucked up under her ministrations, and I saw her mouth open in what surely had to be a moan. I let out a moan of my own as I stroked harder, feeling my balls begin to clench against my body.

Lissa let out a scream then, a sound so loud I could actually hear it even through our respective closed windows. She began to shudder, her fingers working frantically over her clit as her ass arched high off of the bed. I saw her entire body clench as she took herself over the edge, her head thrashing wildly from side to side.

With a muted groan, lest she hear

me, I felt my own cock explode into my fist, and I shut my eyes briefly as my jizz began to spray. My balls clenched, unleashing their fury as my hand pumped my spewing rod, and I felt the release pour hotly out of me. Manhandling my spewing cock, I milked the spunk from my still-engorged rod, imagining that it was filling Lissa's sweet pussy.

When I opened my eyes, I saw the cream dripping thickly down the window pane, and, farther, Lissa reclining easily, her fingers now idly trailing up and down her body as before. A small smile played over her face as I watched her breathing slow, until I saw that she was sleeping soundly, her fingers resting slightly on her wet pussy.

After that time I swore I'd never look again, but of course I do. I wait for her, cock at the ready, and she never lets me down.

Sometimes I wonder if she knows I'm there, watching her, and spraying my load as I see her take her own pleasure. But most of the time, I think that she's oblivious to anything but her own quivering pussy. Either way, I don't much care. I just want to watch Lissa come, as long as the show goes on.
